

Directions to Shellfisher Preserve:

From Southold Village east:

Route 25 (*Main Road*) to *Bayview* (left after Hart's hardware at the Gulf gas station), then follow * below

From Peconic west:

After Corey Creek Vineyard make the next right onto *South Harbor Road*, then make first left onto *Baywater Avenue*, past the firehouse, then bear right at the second road onto *Bayview* and follow the instructions below.

*Continue on *Bayview*, pass *Cedar*, *Victoria*, and The Cove condominiums, and then make next left onto *Jacobs Lane* (note that there's a triangle of grass at this intersection). Take *Jacobs* to a four-way stop sign; turn right onto *North Bayview Road*. After a minute or so you will see *Reydon Drive* on left; our drive is the next one on left- look for four identical green plastic mail boxes on left; our drive is shortly after those on curve. It has two brick wall "gateways" facing the street with signs that say "Shellfisher Road" and "Access by Permission Only."

Drive slowly here- less than 15 mph. You will pass three homes (including the one on corner of *N. Bayview* and *Shellfisher*). Then you will pass through old chain link gates (permanently opened); bear left as road forks at "Shellfisher Preserve" sign and rock. Continue past green Quonset garage. Preserve managers' residence is on left. Waterfront is at the end of this road.
